Interests: Innovative ideas, innovative things and the work which will make my inner feelings proud that I am able to do something for the people who deserve it and are deprived.

Inspiration: Dena Lawrence an art therapist from Western Australia, my family members especially my mother and my teachers/guides and friend from different parts of the world who at every step help me in my difficulties to

achieve confidence and to become something special for thinkers.

Leadership Skills: I am student cum researcher with Great Spirit, enthusiasm and motivation power to be a real leader at every spot of my life. Also, as a coordinator of YHRI I am leading a team of 10 members of the organisation and organised a number of seminars, workshops and conferences.

Key Strengths:

- *Semantics*
- *Artificial Intelligence*
- *Web 2.0 and 3.0*
- *Citation Evaluation (Impact factor, H index)*
- *Applied technological Advancement in modern Library Environment.*
- *Information retrieval*
- *Communication, Negotiation, Motivation and Adaptive leadership Skills.*

Hope: I am confident of my abilities that if I get a chance, I will truly prove more than what you deem of me.
